## Prince admires 'lasting legacy' on anniversary

■ PRINCE Charles was more than happy to chat to residents on his visit

by Trevor Bevins  
[trevorbevins@gmail.com](mailto:trevorbevins@gmail.com)

HIS Royal Highness the Prince of Wales paid a visit to Poundbury to celebrate the 20th anniversary of the development.

The charming Prince chatted and joked with Poundbury residents as he walked around his eye-catching addition to Dorchester.

But, the walking tour also saw him looking a little stunned as 14-week-old Scarlett Coleman was thrust into his arms by mum Amy Nash – giving him a taste of what's to come as the Prince looks forward to welcoming his first grandchild this summer. But like the rest of the visit the Prince's face soon switched back to joy as photographers had a field day with what, up to then, had been little more than a routine visit of the Prince chatting amiably about architecture.

Poundbury Residents Association chair Margaret Morrissey introduced HRH to dozens of residents after he toured an exhibition in the Butter Market building looking back at the past two decades of development.

"He was his usual charming self. The Prince had a good conversation with all and appears to have a far better memory than I do. All went very smoothly thanks to the Duchy team and especially Christine Walsh, Naomi Drummond and Kevin Crabbe," said

**COUNCILLOR** David Rickard's parents were from the West Country, but he was born in Liverpool at the end of the war. At the age of two his family moved to London where David spent his childhood. He met Anne in 1983, they married and had a son Chris. When his career as a Pollution Control Biologist with Thames Water was cut short by privatisation the family moved to West Dorset where they felt at home immediately, living the 'Good Life' with second careers as musicians. Elected Mayor of Bridport in 2011, David will be handing over to Maggie Ray at the Annual Council Meeting on May 16.

■ **WHAT brought you to West Dorset?**  
A Ford Escort - that and losing my job, and a desire to leave the rat race.

■ **WHAT compelled you to want to become a town councillor?**  
Martin and Maggie Ray - and wanting to make a difference, to bring fairness and openness to decision-making and to protect our environment for future generations

Although involved in national and local politics for 20 years, I have only been a councillor in Bridport for the last six. It doesn't sound long but I consider the rest of my life as being the training and preparation for the task.

■ **WHAT is a mayor's week like?**  
There is no such thing as a typical Mayor's week, it is very varied ranging from local engagements and being Chair of the Council to representing Bridport further field. It can be very busy, but if you enjoy it as Anne and I have done it isn't a chore.

■ **WHAT were the highlights of your two terms as Mayor?**  
That's a difficult one – too many to count - but watching the Town Hall being transformed and being Mayor for its official opening was very special indeed, that and being the representative of such a great town here and all over Dorset has been such a privilege

■ **WHAT were the lows?**  
The disappointment of not being invited to any Olympic events or functions and the drenching of the Town's one chance to be involved – but actually that turned out to be one of the proudest moments too, as Bridport turned out in force in atrocious weather to welcome the Torch.

■ **WERE you surprised by the reaction to your boycott of the church service celebrating the Queen's Jubilee?**

I think the reaction was caused more by the sensationalist reporting than by my decision to be true to my beliefs. It was in no way a snub to the Queen whose Jubilee I celebrated in several secular celebrations. Neither was it a boycott, the town was well represented by the Deputy Mayor and other councillors who were more appropriate envoys in this instance.

■ **HOW would you like your time as Mayor to be remembered?**

My fresh, radical and honest approach to the job, the way Anne & I worked as a team and that we were always approachable.

■ **WILL you miss it once you hand over to Maggie Ray?**

Of course, but I know it will be in safe hands.

■ **WHAT will you do now?**

Continue working to help the development of our Youth Council, develop our Rights-Respecting project and continue to support and build our Community Justice Panel restorative justice programme. I also have a key role in delivering Transition Town Bridport's contribution to the lottery funded "Communities Living Sustainably" project.

We also have a new grandson and a lot of gardening and house projects rather neglected for the last two years!

■ **DO you come from a musical background?**

Music has always been very important but what I like and play is very different to my parents' tastes that I grew up with - but it was obviously in the genes. It's been a real joy being able to have so much fun playing with Chris – and it has earned a few 'bob' for my charities.

■ **WHAT is your earliest memory?**

Eating a teaspoonful of mustard given to me by my older twin brother and sister who told me it was butter!

■ **WHAT has life taught you?**

I think that will have to be 'my book' – but for a one-liner it has to be – 'you make your own luck'.

The Liberal Democrats won 12 seats with Labour winning three seats in Weymouth and Portland, the Labour and Co-operative party also secured two seats in the borough.

A UKIP candidate took a seat from the Conservatives in Ferndown and the council's one Independent member, Les Ames, lost his seat to the Labour and Co-operative party in Portland Tophill.

In the Dorchester area there was no change to the political make-up with Trevor Jones and Richard Biggs, Liberal Democrat, taking the two seats and Dorchester Mayor, Andy Canning also winning for the party in the neighbouring ward of Linden Lea, which includes Broadmayne, a seat previously held by Con-

## County hospital wins top care award

DORSET County Hospital Director of Nursing Alison Tong is pictured receiving the award on behalf of the hospital from CHKS Managing Director Jason Harries

DORSET County Hospital has won the CHKS Top Hospitals programme Quality of Care Award 2013.

The awards celebrate the success of healthcare providers across the UK and are given to acute organisations for their achievements in healthcare quality and improvement.

Awards are made on the basis of an analysis of pub-

licly available data and every NHS acute trust is included.

The quality of care award is given for excellence in high quality care to patients, appropriate to their diagnosis.

It is based on a number of criteria including the length of time patients stay in hospital, the rate of emergency re-admissions and whether the care path-

way proceeded as it was originally intended.

Jason Harries, managing director, CHKS said: "Every hospital is accountable to its patients, their families and carers as well as the local community to provide a safe environment.

"Our quality of care

award highlights those trusts that clearly share a commitment to driving improvement and engendering a culture of excellence throughout their organisation and it is a credit to the staff at Dorset County Hospital NHS Foundation Trust that it has won this award."

## BBC film exhibition

DORCHESTER'S Tutankhamun Exhibition has been used for the filming of a current BBC series about some of the great excavations and developments in archaeology.

The BBC4 programme: "Archaeology: A Secret History", is presented by Dr Richard Miles and is being shown at 10.30pm on Thursdays.

"Dr Miles and a film crew from the BBC visited the Tutankhamun Exhibition last September," said Tim Batty, the exhibition's curator.

"The discovery of Tutankhamun's tomb was the greatest of all archaeological discoveries, and as such, Dr Miles was keen to depict this and its subsequent influence on the world.

"The BBC filmed the exhibition's detailed reconstruction of the antechamber and the burial chamber of Tutankhamun's tomb. Dr Miles was also particularly keen to feature the funerary mask, which has not only become the symbol for ancient Egypt, but also perhaps for archaeology as a whole."

## Volunteers give beaches a spring clean

THERE was a record turnout for the 25th Great Dorset Beach Clean

An incredible 923 people took part in the 2013 event, over 300 more than last year, and they filled nearly 700 bags with rubbish from 24 beaches across the county.

The annual blitz on the beaches is organised by Dorset County Council's coastal ranger team.

There were a few odd items found amongst the everyday litter. These included a giant fishing aerial, a 25-litre container of sump oil, a large horseshoe floatation device, an empty cash box from a car park ticket machine, an inflatable dingy and a home-made trolley.

Beach Clean co-ordinator Jenny Penney said: "I am overwhelmed with this year's response by volunteers. It is fabulous that people are donating their time to help to clean-up the beaches along the coastline.

"I would like to thank everyone for the tremendous effort they made on the day."

Families, individuals and community groups

### ■ HUNDREDS gathered for the Great Dorset Beach Clean

joined forces to clear the beaches ready for the summer. Local businesses also offered groups of people to help clear the coastline of rubbish.

A beachmaster was on hand at each location to give out rubbish bags, gloves and instructions.

Volunteers were given a mouth watering incentive to help, with cafes, pubs and restaurants offering discounted meals to volunteers who lent a hand.

Feedback from the companies has been very positive and many of the volunteers took advantage of the discounts and special offers available.

Todd Moffat of 'taste'

for the Chesil Beach

Centre said "It was defi-

nately a good idea.

We

had a full restaurant and

it was really enjoy-

able

with the benefits of get-

ting the beach really

clean."

Emma Hole of

Clavell's Café said "We

had a really good turn

out."

The Autumn Beach Clean will be held on September 22nd. The purpose of the event is to identify and categorise litter that has been left on beaches during the summer.

Volunteers are needed to help with cleaning and monitoring beaches.

For further details please phone (01305) 228952 or visit [www.dorsetforyou/great-dorsetbeachclean](http://www.dorsetforyou/great-dorsetbeachclean) nearer the time.

## School family fun day

CHILDREN and staff at Sunninghill Prep School, Dorchester, are getting ready to spring into action this Saturday, May 11th from 10am to 12.30pm with another free family fun day.

Following the success of their last spring themed event in March, the theme this Saturday is "Active Learning".

There will be free children's activities including: archery; searching for mini beasts and pond-dipping; maypole dancing, swimming and water polo.

Bringing ICT outdoors, budding artists will get the chance to develop their own comic strip using the school's mobile tablets. They will end up with their very own, original comic strip, which they can email to themselves.

There will be activities suitable for children of all ages and the school café will serve free coffee, tea, cold drinks and biscuits.

Andrew Roberts-Wray, headteacher, said: "Our last fun day was great fun and I hope lots of families will come this time and enjoy the opportunities we have on offer. Everyone is very welcome."

# Friends donate live saving equipment

by Trevor Bevins

SPECIALIST equipment, which could save lives, has been donated to Dorset County Hospital by the Friends group.

The hospital supporters have funded another remote EEG machine, which records electrical activity in the brain and diagnoses conditions such as epilepsy.

They have also donated some fun rucksacks for children to carry the machine in, and some hand warmers for patients coming in for nerve tests to ensure their hands are at the correct temperature.

Allison Tate and Monica Freeman from the neurophysiology department thanked Friends representatives Sue Mason, Sharon Merritt and Teresa Sear for the donation (pictured top right).

Another donation from the Friends of Dorset County Hospital has allowed the hospital to buy six new ventilators for respiratory patients.

The machines will be used on specialist wards throughout the hospital

and staff are delighted to have the new equipment for the benefit of their patients.

Friends representatives Sue Mason, Sharon Merritt and Teresa Sear are pictured hearing about the new equipment from Keith Butterfield and Dr Will McConnell from the respiratory department (pictured bottom right).

■ PRINCE Charles leads a walk around Poundbury

## ■ FROM page 1

Mrs Morrissey.

Among the guests was Des Derrien, West Dorset's retired chief planning officer, who has been involved with the Poundbury project since the start.

"We saw it as a fantastic opportunity to move away from the mundane estates most of had seen too much of," said Mr Derrien.

"By and large it's been a success. Sticking to the principles of squares and buildings which provide focus and being a people-friendly, rather than car-friendly, place not only to live, but to work."

In an article for a commemorative magazine to mark the first 20 years of Poundbury the Prince said he was determined that the development should be "an exemplar sustainable new community" built as a "lasting legacy" for the town.

"I wanted Poundbury not only to be an attractive place to live and work, but also an opportunity to demonstrate that you could break the mould of speculative development in the United Kingdom with its rigid zoning and soulless housing estates...I can only say how delighted I am that after 20 years I find Poundbury in remarkable good health as it approaches middle age."

The Duchy claims the development has created 1,600 jobs, with potentially another 400 still to come and development expected to continue until 2025. Around 2,000 people now live at Poundbury, although some residents of Dorchester argue that the place often appears nearly deserted with far too many being investment, retirement or second homes.

Among those to invest in Poundbury are the owners of the Lyme Mill Town Bakery who on May 14th will open the Butter Cross Bakery in a spectacular octagonal building where the Prince viewed a display

# anniversary visit to Poundbury

looking back on 20 years of the development.

It will be run by Chris Balfe, a former auditor from Weymouth who turned away from number crunching to kneading bread just over two years ago.

"It's an exciting prospect which we're looking forward to with around 80 covers both indoors and out," he said. As guests mingled in the sunshine to the sound of a live band in the square outside the Bakery. Among them was Town Clerk Dennis

Holmes on what is likely to be his last, of many, Royal visits before he retires in the coming weeks.

He said: "Love it or hate it, Poundbury, has brought a lot to Dorchester and, as we know, has inspired better developments elsewhere in the country as well....we often get people coming to look around to see what can be learnt from it."

The Prince started the day with a private reception at the Brownsword Hall. There, to greet him, was Emma Larcombe whose jewellery caught his eye as he emerged from his limo.

"I just said hello, I live around here and he started talking about my jewellery," said a delighted Emma.

Her carer, Judy Stewart, who works at the Ridgeway Centre in Weymouth, was also spoken to by the Prince.

She said: "It was all so quick really...he thought I worked at Cambridge Court and he asked if I was going to see him later, but I had to say unfortunately not."

The official opening of Cambridge Court, a

block of seven specialist self-contained flats for adults with learning disabilities, came at the end of the day.

Other local people to meet the Prince included Kelly Solly and Carlie Foot from Trematon Street who made sure they opened their door as he walked by.

"I've lived here five years and have never seen him so I thought I would this time," said Kelly. "We had a quick chat about what it's like to live here. He seemed really interested in what I thought."

## Shepherd's hut goes on display

A PIDDLEHINTON company which makes retro shepherd's huts has loaned their RHS Chelsea Flower Show silver-medal award-winning "writer's retreat" hut to the Castle Garden centre at Sherborne.

Plankbridge Hutmakers has been building and restoring shepherd's huts since 2000 when owners Richard Lee and Jane Dennison discovered an early shepherd's hut near Thomas Hardy's cottage near Dorchester.

They brought the Wessex tradition back to life with the help of Richard's training from John Mapepeace's Hooke Park College.

Today the company produce the Victorian huts as contemporary spaces for offices, spare bedrooms or artist's studios.

To date, Plankbridge shepherd's huts have been created for the National Trust and River Cottage HQ as well as for the RHS Chelsea Flower Show

■ PLANKBRIDGE traditional shepherd's hut being restored

2012.

Co-founder and managing director of The Gardens Group Mike Burks said: "We are delighted with the new addition at Castle Gardens. We are always looking for quirky ways to enhance the gardener's experience for our visitors, even if it does mean taking hinges off gates. The hut will be open daily and we will be encouraging people to hop in and look around... The little hut fits in really well next to The Butterfly House and we intend to use it extensively for many of our events throughout spring and summer."

## Skate Jam attracts hundreds to park

■ DORCHESTER'S Skatepark "Skate Jam" event attracted several hundred people, of all ages, locals and visitors, including many who had never been to the park before.

"Everyone had a really good time. We ran a full event, apart from the final group, when rain stopped play around

4.30pm, but it was all awesome," said one of the organisers Mark Noble.

Maverick skateboards and energy drink company, Monster provided cash prizes for several of the competitions.

Pictures show youngsters demonstrating some of their manoeuvres during the event.

## Artist shortlisted for BBC award

SIX paintings from a Puddletown artist have been short-listed in the BBC Wildlife Artist of the Year competition.

Paul Matthews has found himself in the list of front runners for four years in a row and was runner-up in last year's competition.

Among his work which has made the grade this year are pictures of an eagle owl, polar bear and lion.

More than 1,400 paintings were entered with the shortlist now down to 122.

Mr Matthews and his partner Annie, travel extensively for the pictures.

He said: "I have always had a passion for wildlife and animals. Painting them just seemed a natural continuation, as it was what I did best.

"I always strive to capture the soul of the animal or person that I am painting."

The overall winner of the competition will have their painting displayed at the Society of Wildlife Artists' annual exhibition at the Mall Galleries, London, in the autumn.

## Sign up for Barnardo's Big Toddle

DORCHESTER fundraisers are invited to wave their wands and don their fairy wings in aid of vulnerable children.

Barnardo's is launching the charity's annual "Big Toddle", the sponsored walk for under-fives.

This year's theme is "fairy tales and nursery rhymes".

Parents, childminders, playgroups and nurseries can arrange their own events at any time throughout the year.

Last year more than 700 toddlers from Dorset registered to help raise almost £2,800 towards a

combined South West total of 10,000 toddlers raising more than £40,000.

Those joining in will receive a Big Toddle pack including activity sheets, posters, magnetic rosettes and stickers.

Supporters can keep up to 25 per cent of the money raised for their own group or good cause, although many groups donate all of the money to support vulnerable children in Barnardo's projects.

Charlotte Cooper, Barnardo's Big Toddle manager, said: "We are now into our 17th annual Toddle and

it's going to be bigger and better than ever.

"This year we're highlighting the world of fantasy and make-believe so that children can have even more fun dressing up and bringing to life their favourite fairy stories."

"Every penny goes directly to our work with under-fives, so everyone can enjoy themselves and help raise vital funds for less fortunate children."

Call 0800 008 7005 or visit [www.bigtoddle.co.uk](http://www.bigtoddle.co.uk) for information on how to sign up.

## Free gas boiler replacement scheme via AP Chant

DO you need a gas new boiler? Would you like one for free?

AP Chant, in association with Vaillant boilers, have been appointed as approved installers for this new scheme, which forms part of the Government's ECO order (Energy Company Obligation) which aims to fight fuel poverty and reduce carbon emissions.

If you have a mains gas boiler you may be entitled to a free replacement 'A' rated energy efficient central heating boiler.

If you are eligible, the scheme will fund the full cost of an ecoTEC boiler and installation by AP Chant.

There are no hidden catches or charges, but the home occupier will need to meet the following eligibility criteria to be able to proceed further:

- You must either own your property or live in a privately rented

property with an existing mains gas boiler.

- In addition to this you must receive certain state benefits (for example pension credit, child tax credit, income support, job seeker's allowance, working tax credit etc).

To see if you are eligible, please view the qualifying criteria at [www.apchante.co.com](http://www.apchante.co.com). On this site are some FAQs that might be useful to you. If you do qualify then please complete the online application form or contact the qualifying team on 01308 440071.

All other queries regarding the scheme should be directed to 01308 424704 or [eco@apchant.com](mailto:eco@apchant.com).

Landlords - there is no limit to the amount of properties you have in your portfolio, as long as your tenants qualify then you can have a new boiler completely free of charge!

A tenant does not need to be claiming housing benefits to be eligible. Remember - it will be important for you to keep this scheme in mind for future acquisitions and for change-over of tenancies, as non-eligible existing tenants may be replaced with eligible ones. The scheme is set up in a way which involves little input from you. You would simply need to make your tenants aware of our details and we can then pursue the application for you.

AP Chant is West Dorset's biggest privately-owned plumbing, heating and electrical specialist - with the largest number of Gas Safe Registered engineers in the South West. We operate throughout Dorset, Somerset and Devon.

This is a genuine scheme, with no hidden small print or charges so don't miss out on a free boiler replacement.

## Water on tap for volunteer gardeners

■ VOLUNTEER gardeners at Dorchester's West Station now have their own water butt, so that they can ensure that the flowers in the tubs do not dry out. Prior to this water had to be brought to the station in containers.

The water butt was "christened" by Nick Reid, station master from Westbury, supported by Catherine Phillips, the Heart of Wessex Community Rail Partnership and volunteer gardeners. The tulips on the north bound platform are now in full bloom and make a very colourful display.

## Strollers aim to get Dorchester walking

A SPECIAL meeting of the Dorchester Strollers is being held today (Thursday, May 9th) as part of "Get Walking Week".

The walk will start at 2.15pm at the Brownsword Hall and is expected to last for about an hour

and a half and will be led by Strollers secretary, and one of the regular group leaders, Sue Blake, who is also a member of the South Dorset group of the Ramblers.

The Strollers will also offer a

shorter walk, starting at the same time.

For both walks we will end at the Café on the Green.

For further information about the walking group, call Susan Blake (01305) 263759.

# Gardening advice from the experts

GARDENING experts from The Gardens Group, and wildlife champions from Dorset Wildlife Trust, are joining forces to run a workshop about the role that gardening plays in protecting and encouraging the country's wildlife.

The one-day workshop will cost £55 per person and will be held on Saturday, May 11th from 10am – 4pm at The Kingcombe Centre near Dorchester, Dorset.

Mike Burks, co-founder and managing director of The Gardens Group, said: "We are really looking forward to working with Dorset Wildlife Trust at Dorset's leading environmental education centre. The day will be full of practical tips on how to create a wildlife haven whilst also being a wonderful garden throughout the year. What's more, we'll be happy to answer questions and offer advice on natural pest control methods."

Tony Bates, chairman of Dorset Wildlife Trust, added: "It's a real pleasure to combine our knowledge and passion for the natural world with the expertise and enthusiasm for horticulture from The Gardens

Group. This workshop is a great addition to our course calendar, and we would encourage gardeners of all levels to come and find out how to make their garden more wildlife-friendly."

For more information and to book visit [www.kingcombe.org](http://www.kingcombe.org).

■ GARDENERS who encourage wildlife are being encouraged to enter an annual competition.

Dorset Wildlife Trust is inviting those who want their gardens to be judged to enter the contest by May 24th.

This year's categories are – patio or small garden, less than 100 square metres; medium to large gardens; community or school and a competition for best improved garden for last year's winners.

Winners will receive a plaque with wildlife-friendly prizes for the runners-up and for every school which enters.

Prizes are donated by the Gardens Group which sponsors the competition.

Information about the competition is available from the Dorset Wildlife Trust website – [www.dorsetwildlifetrust.org.uk/wgc](http://www.dorsetwildlifetrust.org.uk/wgc).

# Walkers urged to keep away from landslip

WALKERS are being told to keep away from a section of the South West Coast Path after a massive landslip.

But despite the warning about the fall at St Oswald's Bay near Lulworth a school party was seen on the slip within hours.

Council workers have blocked off the path near the coast and put a diversion in place using the higher route further away from the sea. There have also been warnings about instability at Ringstead, another popular area for walkers.

Nick Kelly from the Lulworth Estate said cliffs along the Dorset coast were fragile following a long period of wet weather – followed by recent, rapid drying.

"Visitors should exercise awareness of their surroundings and pay attention to warning signs when walking near the cliffs," he added.

Around 20m of the coast path had collapsed at St Os-

wald's Bay – luckily overnight when the path and beach below would have been empty.

University of Southampton lecturer and expert on the Dorset coast Dr Simon Boxall said other falls were now likely: "It's very difficult to predict where and when these landslips are going to happen," he said.

# Grants available for environmental projects

A NEW environmental grant scheme has been launched in the South West to support water saving projects across the region.

Wessex Water has launched the awards called the Sustainable Watermarks, which will run until March 2014, to celebrate the 20th anniversary of the Watermark award scheme.

The Watermark scheme provides grants from £150-£1,500 to groups across the region involved in environmental projects including schools, parish councils and community organisations.

One of the most recent projects to benefit from the Watermark awards is Holy Trinity Primary School in Weymouth which won £200 to design a garden that explains what the world looked like when dinosaurs walked the earth.

The Sustainable Watermarks,

which will be organised by the Conservation Foundation, will follow a similar format, but will be judged in a separate category focussing on water conservation.

Wessex Water spokesman Marilyn Smith said: "We hope the celebratory Sustainable Watermarks will attract applications from across our region and encourage people to think more carefully about the water they are using and how they could be saving more."

The grants, which will be up to £2,000, could go towards projects to install water saving devices for kitchens and toilets in schools, churches or other community buildings or rain water harvesting at community buildings, allotments or other centres.

Recycling grey water for gardens and allotments, promoting water saving behaviour through drama or art,

creating a dry garden or using any other technical innovation to save water will also be considered for the scheme.

Libby Symon, of the Conservation Foundation, said: "It is great that Wessex Water want to make a really big splash by promoting sustainable water use."

"Sustainable Watermarks will award and promote projects that save water use and reduce water waste and we will be looking at projects both large and small."

"The Conservation Foundation is delighted that Wessex Water have chosen to celebrate the 20th Anniversary of the Wessex Watermarks by building on their success with the launch of Wessex Water's Sustainable Watermarks."

# Lifeguards return for duty this summer

RNLI lifeguards have returned to duty for the summer at Weymouth and 11 other beaches in Dorset.

Intensive training for their work has been completed and they are now providing safety cover seven days a week from 10am-6pm throughout the summer season until September 29th.

A further nine Dorset beaches will see RNLI lifeguards arrive on July 6th including West Bay and Lyme Regis.

Last year there were almost three million visitors to Dorset beaches with the charity's lifeguards attending 2,168 incidents and assisting 2,347 people from helping with lost children and minor first aid to more serious incidents.

RNLI lifeguard Manager Barry Heathfield said: "We are pleased to be back on the beaches providing this essential service to visitors."

"The lifeguards have been training hard and will be ready to respond quickly to any incident. However, our main role is prevent these incidents from occurring and we will be on hand to provide beach safety advice seven days a week, so if you are down the beach please come and say hello."

He added that the RNLI would encourage people to go to a lifeguarded beach where the lifeguards can provide appropriate safety advice. Checking tide times and local weather forecasts are essential and anyone intending to take part in any water sports should ensure they have the correct equipment which is in seaworthy condition. If you are learning then it is important to get lessons in the basics.

The RNLI's new Beach Finder app enables users to search the UK for lifeguarded beaches and read up on local hazards. With real-time weather updates from the Met Office it also removes any doubt over whether to pack the umbrella or the sun cream. The app is available to download for Apple or Android devices at [www.rnli.org/beach](http://www.rnli.org/beach).

## BOTHEN HILL PRODUCE

SPRING may have sprung a little late this year, but it has finally arrived at Bothen Hill Farm in Bothenhampton, where this year's new season asparagus is now being harvested. Having not surfaced until well after April 23rd - St George's Day - which traditionally marks the beginning of the sea-

son, the recent warm weather has finally brought the spears out of the soil and into Modbury Farm Shop in Burton Bradstock and Millers Farm Shop, Kilmington.

This is the third year that the local farm has been harvesting asparagus, with the tasty green spears proving

incredibly popular within Bridport Farmers' Market, and as of last year, on the weekly Saturday street market. This week marks the return of Bothen Hill asparagus to the Street Market for the season, with the stall located at the junction of East and West streets, by the traffic lights.

## Bus pass deadline looms

PARENTS have until May 31st to apply for a concessionary bus pass to get their child to school.

Dorset County Council operates a concessionary scheme to help families with children aged four -18 who are not entitled to free school transport.

The scheme allows parents to apply to buy any spare seats available on contracted coaches.

A concessionary pass for 2013-2014 costs £450 per child and can be paid for in instalments.

To make it easier for parents, existing concessionary bus pass holders do not need to re-apply for the seat.

County school admissions manager Rick Perry said: "Parents do not need to re-apply for their child's concessionary pass. Only children who are new to the scheme and would like to use a concessionary seat for the first time need to apply."

"We are writing to parents of existing concessionary passengers to ask if they would like to keep their seat for next year or if their circumstances have changed."

Families can apply for a concessionary bus pass online by going to [www.dorsetforyou.com/schooltransport](http://www.dorsetforyou.com/schooltransport) or can call 01305 221060 for an application form.

## Fire service award

A SECURE information programme involving five South West Fire and Rescue Services has won the prestigious European Information Security Project of the year award.

The project, in which many aspects of the service are shared, claims to have made "considerable" savings for those working together on joint purchases and the development of common policies and procedures.

Darran Gunter, Chief Fire Officer at Dorset Fire and Rescue Service said: "The programme has provided us with a comprehensive set of tools and policies to ensure that all our sensitive information is appropriately safeguarded and staff are aware of their responsibilities for managing information."

"This, in turn will allow us to share information with our partners to enable us to provide a more effective service to vulnerable people in our communities."

# A great day to go fly a kite

by Harry Walton

THEY soared, they swooped and they entertained as the skies filled for Weymouth's 22nd International Kite Festival.

The biggest beach kite festival in Britain attracted glorious blue skies for the official start by Weymouth and Portland Deputy Mayor Ray Banham who opened the event from the top of an open-topped bus.

He said: "I am delighted that the festival went so well. It is one of our oldest events and to see the array of kites in different colours, shapes and sizes was a joy. The event is always welcome because it marks the start of Weymouth's summer."

Spectators were then able to enjoy more than 300 kites and displays with everything from giant bees to floating cows, dogs and an octopus as well as spectacular four-man stunt kite displays to music.

One giant Harry the Spaniel dog kite "exercised" by Mike Stevens from Chippenham had been bought for £3,000 in memory of his dog who died and Mike said: "I'm just waiting to be told to get my dog off the beach!"

There was colour everywhere and visitors were able to browse kite stalls all around the main arena including one by Artwey showing a range of works by local artists while there were also kite workshops run by the RSPB and Kites for Schools.

Weymouth and Portland events organiser Steve Davies said: "It was a fantastic day. The kite festival

and the Bank Holiday attracted record crowds for the town giving a traditional boost to the local tourism trade.

"Some of the displays were absolutely incredible, particularly the precision flying which was like watching a ballet in the sky."

# Crime commissioner explores business sponsorship to ride out budget cuts

POLICE and Crime Commissioner (PCC) Martyn Underhill is considering business sponsorship to prop up Dorset's police budget. The deal could be extended to other South West counties.

Any deals would be limited to a maximum of one per cent of the overall budget and subject to strict controls.

Mr Underhill said he

will also continue to lobby the Government for extra funding for Dorset Police, which he says is the lowest funded force and has seen some of the worst budget cuts. In his blog the PCC reveals: "At a crime reduction event on Friday, I was pleased to have the opportunity to talk to a possible sponsor. We discussed the possibility of a sponsorship arrange-

ment involving all five PCCs in the South West region and I can tell you that I have already received expressions of interest from other PCCs.

"I have therefore asked for this to be included on the agenda for discussion at the next regional PCCs and Chief Constables

meeting (29th May).

"I can see huge potential benefit to forming appropriate sponsorship relationships with reputable organisations. They will give Dorset Police greater funding to maintain a high quality service. They will also ensure that we have the

funds to help us to combat crime and provide reassurance to communities.

"I need to be clear that we are looking for longer term business support, rather than one-off sponsorships. This will help us to plan and sustain projects that might otherwise not have been possible due to the ongoing financial constraints.

"I also need to stress, that neither myself as Police and Crime Commissioner for Dorset, nor the force, will ever allow operational functions to become dependent on, or to be influenced by, sponsorship agreements.

"It will never compromise the Chief Constable's authority or my commissioning powers. Sponsorship is there to provide an opportunity for Dorset Police and myself to work in partnership with communities towards a common goal."

The proposal has received tacit support from Clive Chamberlain,

Chairman of Dorset Police Federation.

"Martyn Underhill rightly recognises that Dorset Police is the lowest funded force and has seen the worst cuts. We fully support his efforts to lobby government over this situation which has for too long remained disproportionately unfair to communities in Dorset. I would hope that all Dorset Members of Parliament will join with the Police and Crime Commissioner in fighting for fairer funding for Dorset Police.

"The issue of sponsorship is not new to the police service and any such arrangements are subject to rigorous parameters. Sponsorship is subject to a one per cent limit of the force's total annual income and does not make any of the statutory functions of the force dependent on this funding nor does it allow for any companies to interfere with the duties of the police."

## J C Phillips & Son Ltd

JC PHILLIPS & Son was established in 1901 by Josiah Charles Phillips supplying sands and gravels and general haulage for the local community. Stockists of both Bradstone and Brett paving (including natural sand-stone and slate paving) the company offers a wide range of garden landscaping products including slate monoliths, drilled stones for water features, Purbeck walling

### LOUISE PARKER

returns to Bridport's 115 Club

115 Club, Bridport's fastest growing Music Club & Dinner Venue, had a fabulous evening 2 Weeks ago. Steve Rodgers played a set of perfection, encompassing everything he stands for as a musician, beautiful guitar, soulful vocals, with a hint of rasp to the notes, his voice standing out from anything heard before. There is no doubt that with the release of his second album imminent, Steve is set to become the next big thing.

If you didn't make that one, you are in luck, 115 Club are showcasing one of the Jazz vocal world's finest talents this week, Thursday, May 9th, Louise Parker returns to 115 Club. In September last year, Louise, accompanied by Pianist Philip Clouts performed her own eclectic style of Jazz and Soul, the rapturous audience enjoying every moment of every note. This time, Louise is to be accompanied by Neil Burns, one of the most fabulous Jazz guitarists the UK has the fortune to herald as their own. Bringing slight burns, soulful licks and jazz combinations to accompany Louise's beautiful voice. This Thursday is set to be yet another date for the music lover's diary, pure music, great food, and just the right selection of wine to make the evening swing!

Pre-booking for dinner between 7pm and 8pm is essential, and guests should telephone on the day (between 2 and 6pm) to confirm numbers in their party, at which time they will be informed of the cover charge - anticipated at between £5 and £10 per guest. Unfortunately late-comers cannot be accommodated as dining must be completed before the music starts at about 9:00pm.

**KIT HOLMES** brings sultry vocals and virtuoso guitar playing to Bridport Arts Centre

KIT Holmes will be making her debut performance at Bridport Arts Centre on Friday, May 10th at 8pm.

Kit's trademark sultry vocals and virtuoso guitar playing have wowed audiences across the UK through extensive touring with the guitar hero John Etheridge. She is now touring with her own duo, showcasing her own astounding guitar and fiddle skills. Her duo is completed by producer and guitarist, Allan Greenwood.

The press have hailed her as a new British guitar heroine. Alongside her sultry vocals, her folk, blues, roots and soul inspired sound has been winning her fans all over the country. Her sound has been de-

scribed by The Observer as 'Macy Gray meets Nick Drake', and the All Music Guide said she was a 'world-class player'.

Kit has released three albums to date, all mastered at the famous Abbey Road studios. Her most recent last year, entitled Driving into the Blue, features legendary double bass player Danny Thompson, who has worked with some of the greatest names in the music business: Kate Bush, Pentangle and John Martyn.

Kit will be showcasing tracks from this and her previous albums at her Bridport debut.

BBC Radio DJs Bob Harris and Andy Kershaw have both featured Kit on their radio shows. Kit has delivered a masterclass at Paul McCartney's LIPA, performed at the Anne Frank Awards at the BBC, and played a headline show at the International Guitar Festival of Great Britain.

Bridport Arts Centre is delighted to welcome Kit to one of their Jazz Café nights. The evening promises to be one of enthralling music, with gorgeous guitar, poignant lyrics and feisty fiddle, delivered by Kit Holmes and Allan Greenwood in an energetic live performance.

# The complete works of Shakespeare in 97 minutes!

WHETHER you love or loathe Britain's greatest bard, the Reduced Shakespeare Company guarantee to have audiences rolling in the aisles of Bridport's Electric Palace when they perform all 37 of Shakespeare's plays in just 97 Minutes on Sunday, May 19th.

An irreverent, fast-paced romp through the Bard's plays, The Complete Works of William Shakespeare (abridged) was London's longest-running comedy having clocked a very palable nine years in London's West End at the Criterion Theatre! Now revised for 2013 with the same recycled jokes – just put in a different order – these madcap men in tights weave their wicked way through all of Shakespeare's Comedies, Histories and Tragedies in one wild ride that will leave you breathless and helpless with laughter.

The Reduced Shakespeare Company is a three-man comedy

troupe that takes long, serious subjects and reduces them to short, sharp comedies. Since 1981, 'The Bad Boys of Abridgement' have created eight stage shows, two television specials, several failed TV pilots and numerous radio pieces – all of which have been performed, seen, heard and translated into Klingon the world over.

The company's first three shows, The Complete Works of William Shakespeare (abridged), The Complete History of America (abridged) and The Bible: The Complete Word of God (abridged) enjoyed a nine-year run at the Criterion Theatre in Piccadilly Circus. Not only were they London's longest-running comedies, but at one point the Reduced Shakespeare Company had more shows running in the West End than Andrew Lloyd Webber. Some of them were funnier too... The "other RSC" as they're also known were

last seen in the UK with their highly successful Complete World of Sports (abridged) which toured the country before completing a season in London's West End during the 2012 Olympics.

Warning! This show is a high-speed roller-coaster type condensation of all of Shakespeare's plays and is not recommended for people with heart ailments, bladder problems, inner-ear disorders, outer-ear disorders, Shakespearean scholars, degrees in Elizabethan history and/or people inclined to motion sickness. The RSC cannot be held responsible for expectant mothers!

The Reduced Shakespeare Company bring 'The Complete Works Of William Shakespeare (abridged) [revised]' to Sunday, May 19th. Doors open 6.45pm and the performance starts at 7.30pm.

Tickets cost £14 (plus booking fee) under 18s, and £16 (plus booking fee) adults, from Bridport TIC 01308 424901 and [seetickets.com](http://seetickets.com)

SHAKESPEARE IN A HURRY | The Reduced Shakespeare Company

## Danish folk sensation comes to Dorset

HARALD Haugaard is Denmark's most sensational folk musician and a highly influential international composer who has performed across the globe. An inventive virtuoso fiddle player, passionate musician and winner of nine Danish Music Awards, his characteristic style offers contemporary Danish folk music deeply rooted in tradition.

For this special one-off performance in Dorset, Haugaard returns to the Artsreach circuit for the first time since 2010. This time he presents a trio, featuring guitarist Mikkel Grue and percussionist Sune Rahbek, from folkfusion band Serras, in a vibrant and virtuous combination. Helene Blum, winner of the Danish Music award for Folk Debut of the Year in 2004, will join them. Blum has thrilled audiences throughout Europe, Canada and Japan with her intensely expressive, crystal clear voice. Using ancient songs and ballads as a base, she reinvents them with contemporary expressions and mixes them elegantly with newly written songs, including her own. She is deeply rooted in Danish music traditions, but at the same time is not afraid to challenge them.

Together the quartet will perform with great presence, a delicate blend of old traditional Danish dance tunes and songs, complemented by Haugaard's beautiful compositions and thrilling improvisations. This stunning combination of performers creates an event that is sure to be a highlight on the Artsreach programme this summer.

The Harald Haugaard Quartet play on Sunday, May 26th at Portesham Village Hall from 7.30pm. Tickets cost £9, £7 for under 18s, and £30 for a family of four. To book or for more details call 01305 871925.

# Rummage Theatre bring their Edinburgh Fringe hit 'Cleansed' to local stages

RUMMAGE Theatre's 'Cleansed' deals with the Magdalene Laundries, which were catholic-run work-houses for 'fallen women' where 'voluntary prisoners' were incarcerated to 'wash their sins away'. It is believed that 10,000 women passed through the laundries in the Irish Republic between 1922 and 1996. It was not until 2011 that the Irish government set up an inquiry into the treatment of these women and girls. Cleansed explores what has happened to the survivors, our present day victims who cope with life in the aftermath of these traumatic experiences. To this day they are still waiting for an official apology from the 4 religious orders involved.

Rummage Theatre took Cleansed to the Edinburgh Fringe Festival 2012 and received a 4 star review from Broadway Baby and excellent praise from many of the Fringe critics.

"...this new play looks at a tragic part of history which needs telling."

*Three Weeks*

"Cleansed is a play that gets stronger as it goes and has an ending that is both dramatic and chilling... definitely worth your time."

*Broadway Baby*

"It is a stunning, evocative debut from a new theatre company and will soon be starting a tour, which I would recommend unreservedly."

*The F Word*

mage Theatre office on 01305 764726. Tickets are £7 (£5 concessions). The proceeds from the tour will be going towards taking their new play Captive Minds to the Edinburgh Fringe Festival 2013.

## DORSET BACKDROP FOR ADVENTURE THRILLER AUTHOR ANDREW TOWNING

ANDREW Towning is the author of four Jake Dillon adventure thrillers and for those living in the south of England the locations used by Andrew for a large part of the action will be more than familiar!

With a backdrop of Lyme Regis in Towning's third novel 'Shroud of Concealment' and regular visits to Sandbanks in Poole throughout the series of books; The Constantine Legacy, Dead Men Don't Bite, Shroud of Concealment and his most recent book The Chimera Code readers get a real feel of familiar territories!

Andrew writes from his Wimborne home and began the Jake Dillon series of novels in 2006. After 200 attempts at finding a publisher an American firm took Andrew on and after the third thriller he now publishes the books, and Kindle versions, through Amazon.

## National Theatre Live: This House

**THIS HOUSE** | The Electric Palace will be showing National Theatre Live's performance

IT'S 1974 and the corridors of Westminster ring with the sound of infighting and backbiting as Britain's political parties battle to change the future of the nation, whatever it takes. In this hung parliament, the ruling party holds on by a thread. Votes are won and lost by one, fist fights erupt in the bars, and ill MPs are hauled in to cast their votes.

It's a time when a staggering number of politicians die, and age-old traditions and allegiances are thrown aside in the struggle for power. James Graham's biting, energetic and critically-acclaimed new play strips politics down to the practical realities of those behind the scenes who roll up their sleeves, and on occasion bend the rules, to manoeuvre a diverse and conflicting chorus of MPs within the Mother of all Parliaments.

Bridport's Electric Palace will be showing National Theatre Live's This House on Thursday, May 16th. Doors open 6.30pm, with the performance at 7pm. Tickets cost £10 (plus booking fee) and are available online at [www.seetickets.com](http://www.seetickets.com) or from Bridport TIC on 01308 424901.

MUSEUMS at Night, to be held on Saturday, May 18th, is getting even bigger in Dorchester this year and promises to be a fantastic night out for all the family. Not only are all of Dorchester's six museums and the Roman Town House included in the event, but this year for the first time Max Gate will also be open.

Tickets for this fantastic value family night out at Dorchester's museums and attractions are now on sale from participating museums, the Dorchester Tourist Information Centre and Max Gate. Tickets can be bought on the night but cost £12.

Dorchester is probably the only town in Britain with such a wealth and diversity of museums. It's alive with history and heritage and this is all brought together for Museums at Night. Stroll down Dorchester's high street and history and heritage leap out at you from a multitude of places.

All six of Dorchester's museums plus the Roman Town House will be open after normal hours, from 5pm to 9pm, on Museums at Night to welcome visitors. All are within easy walking distance of each other, either on or close to Dorchester's main High Street. New this year is the inclusion of Max Gate, which will only be open from 3.30pm to 5.30pm as a special preview to the evening.

Museums at Night promises to be a very special night offering families and individuals an unrivalled opportunity to explore, discover and enjoy these eight iconic heritage venues: the world renowned Tutankhamun Exhibition, unique in this country; Britain's original Dinosaur Museum, acclaimed as one of the ten best child friendly museums nationally; the award winning Dorset County Museum with its fantastic collections on everything Dorset; the Keep Military Museum, one of the top ten highly rated military museums in the country; The Teddy Bear Museum, an enchanting family museum; the Roman Town House which is the best preserved example of its type in the UK open to the public; the Terracotta Warriors Museum, a real gem of a museum; and new this year Max Gate, home to novelist and poet Thomas Hardy.

All the museums and attractions are visitor friendly and some have hands on and interactive displays. Visit the Keep Military Museum's floodlit roof for fabulous views over Dorchester on a clear evening. Museums at Night is on the evening of Saturday, May 18th when the museums will be open after hours from 5pm to 9pm. Look out for some of Dorchester's best eateries who are participating in Museums at Night with special offers. Just show your ticket.

## Cubana Bop plays West Side Story

COME and hear a unique Latin jazz take on the songs of one of the greatest 20th century musicals, West Side Story, when Cubana Bop play West Side Story at Dorchester's Corn Exchange on Friday, May 17th and Bridport Arts Centre Saturday, May 18th.

The Bernstein - Sondheim originals are given a new twist with arrangements performed by one of the UK's top Latin jazz bands, Cubana Bop, featuring special guest singers Paul Roberts and Jo Marshall. Roberts was lead singer of British band The Stranglers for 16 years and Marshall spent seven years working with top vocal group The Swingle Singers.

The songs have been arranged by band leader and pianist Terry Seabrook. They include 'Prologue', 'Maria', 'Tonight', 'I feel Pretty', 'Somewhere', 'America', 'Officer Krupke' and 'Something's Coming'.

Formed in 1995, Cubana Bop have toured the UK extensively, made three CD releases and accompanied visiting US artists such as Pacho and The Latin Soul Brothers. The group's line-up includes Graeme

Paul Roberts

Jo Marshall

Flowers (trumpet), Ian Price (sax, flute and clarinet), Davide Mantovani (bass), Satin Singh (congas & percussion), and Adam Riley (drums & timbales) and Terry Seabrook (piano, arranger and leader).

Seabrook is a pianist, composer and educator in the jazz and Latin genres and tours regularly with his projects. The recent project "Milestones" has been playing to sell-out audiences around the UK with performances of Miles Davis' best-selling jazz album Kind of Blue.

This promises to be an exuberant night of Cuban-jazz and a great opportunity for lovers of Latin jazz, salsa, tango or jive to come and dance the night away or just soak up the rhythms of this stunning eight-piece band.

Tickets for Friday, May 17th at Dorchester Corn Exchange at 8pm, cost £15, £14, and £10 from Dorchester Arts (01305 266926) or Dorchester Tourist Information Centre (01305 267992) or online: [www.dorchesterarts.org.uk](http://www.dorchesterarts.org.uk)

# New carvery at The Mariners

IT'S part of the traditional way of life in England - Sunday lunch.

It says so much about us. Steadfast, reliable - unadventurous.

But is there a better way of enjoying a relaxing Sunday than sitting around the dining table with members of your family enjoying a succulent joint of prime English beef with all the trimmings, especially roast potatoes and Yorkshire pudding?

Our obsession with Sunday lunch is also much mocked elsewhere in the world, especially in France where they even refer to the Brits as "rosebeefs".

Well, at least we don't eat horse - not knowing!

The traditional Sunday sit-down does not necessarily have to be around your home dining table.

Most hotels and restaurants cater for the Great British Sunday lunch, providing mum with a well earned weekend rest from slaving over a hot stove, and the carvery has become very much part of the eating out experience.

One of the latest establishments to introduce a Sunday carvery is the award-winning Mariners Hotel and Restaurant in Lyme Regis where owners Jerry and Rosemary Ramsdale

## DINING OUT with Philip Evans

and head chef Richard Reddaway have built an enviable reputation for fine dining in recent years.

The Sunday Carvery, served in a polite and informal manner in the hotel's light and airy restaurant with glorious views over Lyme Bay, is reasonably priced at £9.50 per head to include two roast meats with a range of seasonal vegetables, roast and new potatoes, stuffing and the obligatory Yorkshire pudding.

Children (under 12s) are more than welcome and can dine for just £4.95 to include the carvery, a drink and ice-cream.

Portions at The Mariners are very generous but for those with large appetites you can go back for a second helping for just another £4.95.

The roast joints are just part of The Mariners' new carvery menu with a number of starters on offer, priced between £4.95 and £6.95, including soup of the day, cider batter monkfish goujons, mussels with shallots in a garlic and white wine sauce, pan seared Lyme Bay cuttlefish

■ THE MARINERS HOTEL - where chef Richard Reddaway has built an enviable reputation for fine dining

and crispy goats cheese served with balsamic pearls, cherry tomatoes and chilli salsa.

If you want to be a little more adventurous than the Sunday roast, other dishes on the Sunday Carvery Menu, priced between £9.50 and £12.95, include Mariners fish of the day with chips, pan roasted seabass served with sauteed samphire and new potatoes, Thai pumpkin and seafood curry and artichoke spinach and brie risotto.

There's a good range of desserts, around about the £5.25 mark, including honey and thyme pannacotta, Dorset apple cake, chocolate and pecan nut brownie as well as a selection of West Country ice-creams and

cheeses.

If you want to tantalise your taste buds further, The Mariners also provides plenty of variety at their popular theme nights which are held every Wednesday featuring tastes from around the world.

Over the next few weeks you will be able to enjoy the following: Tapas Night (May 15th), Curry Night (May 22nd), Italian Night (May 29th), Moules et Frite Night (June 5th), Greek Night (June 19th) and Cajun Nights (June 26th).

The Mariners restaurant is open seven days a week for lunch and dinner and parking is free. Bookings are always advisable on 01297 442753.

Lyme Regis coast which is close by is famed for its many historic connections and character buildings, and of course,

for its well known Cobb Harbour. As a resort, it is considered quite unspoilt, but has most of the shops and amenities that one could require, in addition to which there are numerous leisure activities including both sailing and power boat clubs, a cliff top golf course and a bowling club. The whole coastline with Lyme Regis and Charmouth at its centre has recently been designated a World Heritage Site (commonly known as the Jurassic Coast). It lies approximately 5 miles from the market town of Axminster, with its main line railway connections to Waterloo (Approx. 2 3/4 hours). The market town of Bridport is approximately 7 miles distant, with Taunton and Exeter within a radius of about 30 miles with access to the M5 motorway. The county town of Dorchester is within a similar distance. For more information about this property or to arrange a viewing please contact Fortnam Smith & Banwell Estate Agents on 01297 - 445666.

# The new Volkswagen Golf Bluemotion: more driving, less fill-ups

FROM Friday, UK customers can order one of the world's most fuel-efficient family cars: the new Golf BlueMotion. This car offers fuel economy of 88.3 mpg on the combined cycle, and CO2 emissions of just 85 g/km, yet like its predecessors it still offers customer all the Golf's traditional attributes of practicality, comfort and safety.

The new Golf BlueMotion's fuel economy is 15 per cent better than that of the previous-generation model, which emitted 99 g/km (now the emissions of a standard Golf 1.6-litre TDI). The original Golf BlueMotion, revealed at the Geneva Motor Show in 2007, returned, at that time, a class-leading 62.8 mpg with emissions of 119 g/km – figures now surpassed by even the range-topping diesel, the 184 PS Golf GTD.

With its 50-litre fuel tank and 88.3 mpg fuel consumption, the new Golf BlueMotion has a theoretical range of 970 miles. Assuming an average annual driving distance of under 10,000 miles, most drivers will only have to refuel 10 times a year. Road tax won't be an issue, either – the Golf BlueMotion is in Band A, meaning it's zero pounds a year.

The reduction in the car's combined fuel consumption has been achieved through lightweight design (including 26 kg less weight in the running gear and 37 kg less in the body), engine-related modifications and a collection of other measures. These

include super low rolling resistance tyres with higher air pressure, longer gear ratios (six-speed manual gearbox), the Stop/Start and battery regeneration systems that are standard in all new Golfs, plus specific aerodynamic modifications.

The frontal area of the new Golf was reduced by 0.03 m<sup>2</sup> and aerodynamic drag (Cd x A) by nearly 10 percent, giving it a Cd value of 0.27. Compared to other standard Golf models, the aerodynamics of the BlueMotion were also refined by a lowered ride height (by 15 mm), a roof spoiler, lateral air guide elements on the rear window, a masked front grille, partially closed air inlet screens, optimised cooling system airflow, special underfloor panels, optimised brake cooling channels and a C-pillar spoiler.

At the heart of the new Golf BlueMotion is a 1.6-litre 110 PS common rail TDI from the new EA288 engine series (producing 5 PS more power than in non-BlueMotion models). The four-cylinder 16-valve unit develops its maximum torque of 250 Nm from just 1,500 rpm up to 3,000 rpm.

Various measures such as reduced internal friction, an innovative thermal management system with shortened warm-up phase, exhaust gas recirculation, cylinder pressure sensor, two-stage oil pump, switchable electric water pump and water-cooled intercooler right in the intake manifold result in success-

fully reducing fuel consumption and emissions. To reduce emissions values further, Volkswagen has also implemented an oxidation catalytic converter, a diesel particulate filter and a NOx storage catalytic converter.

Prices for the new Golf BlueMotion start at £20,335 (RRP OTR) for the three-

door and rise to £20,990 for the five-door, with specification based on that of the standard Golf S – see price list for full details. UK Volkswagen Retailers are taking orders for the new Golf BlueMotion now, with the first deliveries expected in August.

## Car thieves favour Mercedes-Benz

TRACKER 2012 recovery figures reveal most sought after Mercedes models

LAST year over £2million worth of Mercedes-Benz were recovered by TRACKER, the stolen vehicle recovery (SVR) expert, making it a favourite make with car thieves. In the UK a car gets stolen every five minutes, with half of them never being seen again\*. In total over £12.5 million worth of cars were recovered by TRACKER in 2012.

Mercedes is a very desirable make and is favoured by the rich and famous. Only recently Made in Chelsea celebrity Millie Mackintosh opted to purchase a SLK-Class Coupé, joining her fiancé Professor Green who already owns a SLS-Class. With the SLK coming out as the top favorite model for thieves to steal and an on the road price tag of around £30k, fitting a TRACKER will give car owners the ultimate in peace of mind should the worse happen.

Stuart Chapman, Police Relationships Manager for TRACKER explains, "The theft of vehicles has become much more sophisticated and in some instances brutal, as criminals find more ways to steal desirable, high-end cars. Installing a TRACKER significantly increases the chances of a stolen vehicle being recovered and returned to its owner. Over 90% of cars fitted with a TRACKER device are successfully located and returned to owners, usually within 24 hours.

TRACKER is the ONLY stolen vehicle recovery system operated by all Police Forces across the UK. The SVR systems work like an electronic homing device. A covert transmitter is hidden in one of several dozen places around the vehicle. There is no visible aerial, so the thief won't even know it's there. Unlike other car tracking solutions, the device works even if the vehicle is hidden in a garage or shipping container.

## Ford maintains clear market lead with stronger retail and CV sales

UK MARKET leader Ford increased its car and commercial vehicle (CV) sales in April and for the year to date, compared with 2012.

Ford's retail car sales were also up for April and for the year to date, compared with 2012. The Ford Fiesta was the retail sales leader, continuing to outsell its nearest rival by more than two to one.

Mark Ovenden, Ford of Britain chairman managing director, said: "April continued the positive news in the UK market that has seen Ford's car and CV models sustain their impressive sales record through 2013.

"Our best-ever vehicle range has proved attractive to private customers, helping to drive up our share of more profitable retail sales. The quality of the Ford model range is underlined by the Ford B-MAX achieving segment leadership as well as the successful launches this year of the new Ford Fiesta, the Ford Transit Custom, the Ford Kuga and the headline-grabbing new Ford Fiesta ST."

The official figures released by the SMMT today show that total car sales in April were up 14.8 per cent to 163,357 units, compared with April 2012. Ford car sales of 22,178 were up from 20,621 in April 2012. For the year to date (end April) total UK car sales were 768,555 up 8.9 per cent compared with 2012, while Ford car sales for this period were 106,525, up from 103,469 in 2012.

With a total of 8,083 registrations the

Ford Fiesta was the UK best seller in April – 1,999 sales and 1.2 percentage points of market share ahead of its nearest rival. On retail sales alone the Fiesta's lead is even more significant at 2,733 registrations and 3.3 percentage points of market share.

In April the Ford B-MAX secured leadership of its segment with 1,442 sales, accounting for a 24.6 per cent segment share. The B-MAX joins the Ford Fiesta, Focus and Galaxy, which also lead their respective segments.

UK CV sales in April were up over 25 per cent, compared with April 2012. Total sales of Ford CVs in April were up from 3,822 to 5,900, compared with the same month last year, with share up from 18.5 to 22.8 per cent. For the year to date (end April), Ford

CV sales are up from 20,628 to 24,659 with share up from 20.6 to 22.5 per cent, compared with the same period last year.

Ford medium commercial sales, headed by the industry-leading Ford Transit, were up from 3,096 to 5,013 and Ford's share of MCV sales was 32.2 per cent up from 27.0 per cent in April 2012. The Ford Transit is the sixth best-selling vehicle in the UK, outsold in Ford's model range only by the Fiesta and the Focus.

Ford Transit leads all CV segments in which it competes, with its share of the one tonne segment bolstered by the introduction of the Transit Custom and the Tourneo Custom. Ford Fiesta van also leads its segment by a clear margin, taking 60.8 per cent of its segment for the year to date.

## INSIDE EDGE - The Dorset cricket scene

WITH STUART BROOM

## Pitch problem dents Dorchester's championship hopes

THE new cricket season got off to a sensational start with Dorchester having to cancel their game at the Rec against reigning champions Wimborne & Colehill because the ground was not ready!

The club hires the ground from Dorchester Town Council who are responsible for preparing the wicket and the pitch.

However, it was found at the end of last week that the wicket was not in a playable state and the club had to call the game off.

It is understood the club have received "verbal assurances" that they will not be punished as a result, but it is unclear whether the game will be replayed or conceded without penalty to the county town.

## WEYMOUTH 101 ALL OUT LOST TO

**POOLE TOWN 253 ALL OUT BY 152 RUNS**

WEYMOUTH got off to a great start with captain Matt Lawes and Dave Trotter tying down the openers. With Trotter getting a wicket with his third ball, Poole Town were struggling at 3-1 after six overs.

However, opener Brewster Surridge (43) and Ciaran Quinn soon got on top and at 147-1 it looked like the visitors would get a hefty score, but after Quinn was dismissed for 103, Weymouth with Lawes (5-37) leading the way with a "fivefor" did well to bowl Poole out for 253.

Only Damith Gunawardana (39) showed any real resistance to Lawes, Dean Janaway (2-51) and Paul Payne (2-32), with Jim Rysall taking three catches and a stumping.

However in reply Weymouth could only muster 101 all out with Tom England (39) and Lawes (23) getting any significant runs.

Lawes said: "If we had got a couple more wickets early on when we had them under pressure it might have been different, but in the end we did well to restrict them to 253 after being 147-1."

"We struggled a bit with our batting and looked a bit rusty, and we need to improve that, but we have five players unavailable until the end of May, so we might find it difficult until then."

## Division One

**MARTINSTOWN 331 ALL OUT BEAT**

**BROADSTONE 2NDS 227-8 BY 104 RUNS**

DANNY Way and Danny Dancer were the stars of Martinstown's first ever game in Division One following promotion last season.

Way hit 116 including 10 fours and 6 sixes, as the hosts amassed an amazing 331 all out, and shared a seventh wicket partnership of 198 with skipper Dancer who fell five short of a century.

After losing Ed Nicholls for just four, new signing David Herbert (39) and Lee House (37) batted positively and at a good rate in adding 68 for the second wicket, before a collapse saw Martinstown lose five wickets for 16 runs to leave them struggling on 96-6.

Way and Dancer, who hit 10 fours, then went on the rampage, with the last wicket falling off the last ball of the innings.

Broadstone made a good start in reply with Sean Hatton (39) and Lee Hanratty (65) putting on 114 for the

first wicket before Dancer (4-37) made the breakthrough.

After that they began losing wickets at regular intervals with only I Griffiths (46 not out) showing any real resistance. Matt Rimmer (3-36) weighed in as the visitors struggled to 227-8 in their allotted overs.

Dancer said: "This was a really good win with a few guys still away at uni and some still playing football."

"It looked as though we could be all out pretty cheaply after a good start, which was disappointing, but Danny and I played positively and went at a good rate. To score 331 was a great effort."

"We bowled pretty well too. With one of their openers scoring freely and getting up with the rate, I thought we had to take pace off the ball and I brought on Danny Way. He gave the control we required showing he can bowl at this level."

"Matt Rimmer bowled a great spell taking three wickets on his return after all of last season out with injury."

## Division Two

**CHRISTCHURCH 119-1 BEAT**

**BEAMINSTER 116 ALL OUT BY 9 WICKETS**

WILL Everitt faced the usual problem on finding players for the opening fixture of the season and travelled to East Dorset with a side that included his father and his friend among those press ganged into service.

With only ten players, Simon Jones suffering from flu and Everitt himself still feeling the effects of a broken ankle sustained in January playing rugby, Beaminster were no match for their hosts.

Batting first Richie Runyard (22) and Ross Baker (31) got Beaminster off to a great start with an opening stand of 64, but the introduction of two spinners J Adams (3-33) and N Marsh (5-30) at the first bowling change brought their downfall.

They both made use of the very green wicket and only Jack Walklett (31) offered any resistance as Beaminster were dismissed for 116 all out.

G Williams (40 not out) and Adams (76) made short work of their response putting on 104 for the first wicket before Adrian Everitt caught Adams off Jones (1-17).

Will Everitt said: "I was determined we shouldn't scratch and I am very grateful to everyone for making the effort in what is traditionally a problem week with the football season still not finished and being a Bank Holiday. Their support and determination was more than I could ask for."

"The standout performance has to be Jack Walklett who eventually ran out of partners despite the resilience of Mark Barber, Adrian Everitt and Ben Ward at the end."

"Jack has bulked up since last season and is now a strong batsman and turning into an excellent all-rounder."

## Division Three

**STALBRIDGE 2NDS 141 ALL OUT LOST TO**

**CATTISTOCK 142-5 BY 5 WICKETS**

CATTISTOCK started the season with a win at Stalbridge where they have not won for many a season.

Winning the toss they put the hosts in and dismissed them for 141 all out. Lee Anderson (5-17) was the toast of the bowlers including a hat-trick.

Simon Miles (41) and Colin Moore (42) were the main stays for Stalbridge who were looking at a reasonable total on 139-5 before losing four wickets on that total including Anderson's triple strike.

Bradley Damen (2-38 from twelve), Martin Langford (2-39) and Jon Legg (1-28 from eight) were the other wicket takers.

Legg then opened the reply for Cattistock and top scored with 66. He and Billy Walbridge added 81 for the third wicket and with the help of 41 extras including 20 wides, they breezed past the target with more than ten overs to spare.

**PORTLAND RT 154 ALL OUT BEAT**

**DORCHESTER 2NDS 54 ALL OUT BY 100 RUNS**

PORTLAND RT beat a strong Dorchester 2nds outfit by 100 runs.

A fairly lacklustre batting performance saw Triangle post 154 all out, with Matt Randell top scoring with a useful 54.

In reply Dorchester slumped to 10-4 thanks to a superb opening spell by Randell and Simon Proffitt who eventually claimed a "fivefor" whilst Scott Males (3-3) wrapped things up.

**BROADSTONE 213-7 BEAT**

**WEYMOUTH 2NDS 209-9 BY 4 RUNS**

## Division Four

**BRIDPORT 99-3 BEAT WEYMOUTH**

**LONGSHOTS 96 ALL OUT BY 7 WICKETS**

BRIDPORT put on an impressive performance in beating Weymouth Longshots by seven wickets.

The visitors took their league by storm last season but were soon in trouble at 13-3 as Dom Gape with 5-5 from 8.3 overs and skipper Liam Toohill 2-21 ripped into the top order.

Wickets continued to tumble at regular intervals and at 52-5 the writing was on the wall, but a stand of 39 between N Hardisty (19) and M West (20) helped them reach 96 all out.

Old heads Mark Smith (33) and Rod Gay ensured no slip ups as they added 63 for the first wicket, and although Bridport lost two cheap wickets after Smith's dismissal, Toohill (15 not out) joined Gay (39 not out) to ease them to a comfortable win.

Toohill said: "Longshots came with a good reputation, so it was nice to beat them comprehensively and get 19 points which gives us a head start over last season."

"Dom Gape bowled very well, although he won't be able to play regularly for a few weeks yet, and both Ollie Lee and Shane Parker showed they will be useful bowlers this season."

"The experience of Mark Smith and Rod Gay to open the innings gave us a solid start and with 19 points from the game we are not having to catch up like we did last season."

## Division Five North &amp; West

**CREWERNE 90-1 BEAT MARTINSTOWN**

**2ND 88 ALL OUT BY 9 WICKETS**

CREWERNE comfortably won their first fixture at their new home at Henhayes against Martinstown 2nds.

Inviting the visitors to bat first, Darren Rowswell (1-5) dismissed Grosswell and with Darren Parsons (2-27) removing Croswhite and Bracey, Martinstown were soon 18-3.

Andrews (17) and Whalley (20) tried to rescue the situation, but Mark Cullipitt (3-33) and Robbie James (4-23) ripped through the bottom order leaving Moss (19 not out) stranded at the end.

Tom Briggs and Phil Palfrey started well in reply reaching 41 before the former was bowled for a fluent 32 by Croswhite.

Jon Gould (26 not out) joined Pal-

frey (24 not out) to see Crewkerne home.

**DORCHESTER 3RDS 70 ALL OUT LOST TO**

**ABBOTS BURY 71-0 BY 10 WICKETS**

DORCHESTER 3rd's suffered a ten wicket defeat at the hands of Abbotsbury who dismissed them for 70 all out.

## Division Six

**BEAMINSTER 2NDS 170 ALL OUT LOST TO**

**PUDDLETOWN 223 ALL OUT BY 53 RUNS**

TEN-MAN Beaminster 2nd's put up a brave fight at home to Puddletown who had to thank Lucas Allen for a swashbuckling century for their victory.

Allen scored 130 of his sides total which included 20 fours and three sixes; the next highest score being 17 not out from B Knight.

Ade Phillips was the main wicket taker with 4-56 from 12 overs, well supported by Paul Martin 3-50.

Beaminster lost Dave Penman for a single early on, but with the help of the top of the order all getting into double figures, it was Phillips with a fine half-century that edged them near their target.

But, with six of their seven bowlers all getting wickets, he couldn't quite make it.

**POOLE TOWN 4THS 150 ALL OUT LOST TO**

**CHARLTON DOWN 151-4 BY 6 WICKETS**

CHARLTON Down's historic first ever Saturday league fixture ended with a six wicket victory with 14 overs to spare. Men of the match were 16-year-old Luke Voss and Sam Roles (17).

Poole won the toss and surprisingly elected to bat on what was an under-prepared wicket and were soon in trouble at 16-3; Jae Miller trapping both Piley and Murray leg before and Matt Stevens bowling Allman. Javed Gill removed Hellawell (18) with the score on 40-4.

A hard-hitting fifth wicket partnership was gaining pace before Sadler (31) tried one boundary too many with the score on 97 and was brilliantly caught by Cameron Lucas on the deep mid wicket boundary off Sam Roles (3-33).

Captain Andy Milner steadied the ship with the impressive 12-year-old Steve Currie (33) before Lucas snared the latter.

Roles claimed two further quick wickets before the impressive Matt Stevens (2-14 off) returned with James Pretty to clean up the tail.

With vice captain Jae Miller unable to bat having been knocked unconscious attempting a diving catch, Sam Roles and Cameron Lucas (9) opened the batting and put on 33 for the first wicket.

Luke Voss (63no) and Sam Roles (38) then added 56 for the second wicket both cover driving to the boundary. Scotty Parker then helped Voss, who elegantly drove and pulled the ball to all parts of the Whitecliffe ground in his 2½ hour stay, add 36 before Javed Gill helped see Charlton Down to victory.

Captain Tommy Tucker said: "It's always nice to get a first win and it was brilliant to see the young players step up and show their talents."

Not only did Sam Roles and Luke Voss produce mature batting displays but an outstanding catch from Cameron Lucas was a match changing event, with Sadler in full flow with the bat.

Matt Stevens showed his bowling class opening and closing down the

innings with the help of Louis Parkin and James Pretty; all bowling with such control."

**CHALKE VALLEY 180-9 BEAT**

**CREWERNE 2NDS 51 ALL OUT BY 129 RUNS**

CREWERNE 2nd's were no match for Salisbury side Chalke Valley who dismissed the Somerset side for just 51 to earn victory by 129 runs.

## Sunday Division Two

**PORTLAND RT 280 ALL OUT BEAT**

**IWERNE & FONTMELL 87 ALL OUT BY 193 RUNS**

Skipper Gareth Price (101) scored a century in his sides emphatic win over Iwerne and Fontmell.

The visitors were bowled out for 87 with Gus Galloway and Christian Brown claiming three wickets apiece, and Scott Males and Simon Proffitt both taking a wicket.

## Sunday Division Three

**SYMENE 193-7 LOST TO**

**WITCHAMPTON 197-5 BY 5 WICKETS**

SYMENE could have won their opening match, but some poor bowling and a vital dropped catch proved decisive.

Colin Lloyd (42) and Phil Hawkins with a solid 69 at the top of the order and 22 from Callum Pattison set Witchampton a good target.

Symene made an early breakthrough with the dismissal of Bartram for a duck, but unfortunately fellow opener Easthope was dropped before he had scored.

He went on to hit 91 and together with Evans (57) added 164 for the second wicket before Colin Willcox (3-39) bowled both, but by then it was too late.

## Sunday Division Four

**OLD BOURNEMOUTHIANS 235 ALL OUT BEAT**

**PORTLAND RT 2NDS 114 ALL OUT BY 121 RUNS**

PORTLAND slumped to a 121 run defeat away to Old Bournemouthians who were bowled out for 235 from their 40 overs.

Veteran all-rounder Simon Barrett (3-32) was the pick of the bowlers backed up by fellow spinners Matt Barrett (2-52) and Richard Stewksey (2-42).

Triangle were initially up with the run rate as Dave Males (26) set the pace, but the early losses of Dave Blackman, Simon Barrett and Tony Quayle; to a farcical run-out; left Triangle in trouble. A brave stand by Chris Skinner (32) steered them to two vital bowling points before he holed out in the 39th over.

## Readers Mid-Wessex League

## Division One

**BROADWINDSOR 319 ALL OUT BEAT COMP-TON DUNDON 115 ALL OUT BY 204 RUNS**

THE visitors promoted from Division Two last season were no match for Broadwindsor.

A man short and arriving late, the hosts smote them all around the ground with Chris Park with 109 and Steve Phillips (72) putting on over 150 for the first wicket.

Jack Walklett (38) joined in the run spree as Broadwindsor clocked up an unassailable total.

A superb piece of bowling from Ryan Sweatman (3-9) made sure the visitors had no chance of getting near the total and he was ably assisted by Joe Hawkins with three wickets and Murray Legg who bagged a brace.

Good and bad in derby clashes

UPLYME & LYME REGIS 1ST XI

114 ALL OUT LOST TO SEATON

1ST XI 115-2

BY EIGHT WICKETS.

THE much-anticipated local derbies against seaside neighbours Seaton brought mixed results for Uplyme & Lyme Regis Cricket Club. The first XI were inserted by host skipper Ben Morgan on their opening away day fixture against Seaton 1st XI at Court Lane.

Uplyme lost opener Rob Thom who was cleaned-up by Phil Collins. This brought new-signing Alex Taylor to the crease. But the Aussie all-rounder lasted just one ball on his debut as he too was bowled by Collins.

When opener Eddie Clarke was bowled by Joe Berry for a gritty 17 Uplyme were wobbling on 50-5. James Dunford and Rod Holmes added 22 for the sixth wicket and there was a useful top-score from number eight Mark Brimicombe.

But Uplyme were dismissed in 42.1 over for just 114 with Collins (3-16) and Mike Wheeler (3-19) returning the best figures.

Seaton openers Steve Pritchard and Ed Hunt put on 37 for the first wicket before Hunt and number three Chris Aplin were dismissed in quick succession by Neil Price (2-15). But any chink of light Uplyme may have glimpsed at 43-2 was soon extinguished as Morgan came to the crease and clipped a quick-fire unbeaten 57 to see his side home.

**UPLYME & LYME REGIS 2ND XI**

**261-4 BEAT SEATON 2NDS**

**260-7 BY SIX WICKETS.**

THERE was much better news from the corresponding 2nd XI game at the King George Vth playing field.

Batting first Seaton compiled a challenging 260-7 with skipper Ian Hunt top-scoring with 69 before being caught by Alfie Bellworthy to give 12-year-old off-spinner Daley Holmes his debut wicket for the senior team.

The hosts reply was centred around opener Henry Perry who scored a magnificent debut century for the club in scoring an unbeaten 114.

Tim Daniel (66) and Marcel Grunschloss (40) both gave useful support as Uplyme eased to their target in 41.2 overs to give new skipper Wallace Blackmore the perfect start to his time at the helm.

◆ DALEY Holmes scored 81 as the West (160 all out) beat the North (84 all out) in a County district match on Sunday.

## Lyme Regis Golf Club news

WITH RICHARD JACKMAN

THE sun shone on the ladies of Dorset as they competed in near perfect conditions in the DLCCGA County Championship at Lyme Regis last week.

Dave Everett and his team had prepared a wonderful course and Lyme ladies acquitted themselves very well - club captain Jenny Scott came 2nd in the Spring Silver Challenge.

Caroline Baker and Prue Russell both made it to the quarter-final stages of the Johnson Cup, both narrowly losing to the eventual finalists.

Sophie Keech, Melissa McMahon and Jane Southcombe all made it through to the knock out stages of the County Championship.

All played very well in their matches and Sophie made it through to the final but had to settle for second place on the day. Well done to the staff, helpers and players who made the week such a success.

In the men's section Roger Seed and Adrian Morgan won the Andrew Black 4 Ball Better Ball with 43 points. Colin Baker and Andy Richardson 2nd - 41 points, David Lock and Will White 3rd on 39 points.

In the May medal in Division 1, Brian Collis had a scintillating round of net 66, a lead of 4 shots over Stuart Scott with 70 and Malcolm Wilson coming 3rd with 72.

Division 2 was an altogether tighter affair with the top 3 all finishing on net 70, countback decided that David Binns took 1st place from Steve Thirlwell and Patrick Duke 3rd.

In the Junior order of merit Bradley Rowe's net 69 won from Lewis Cottam on 73 and Lai-To Li on 74.

Special mention of young Cameron Moss who played in the junior order of merit and then went out to play another 18 to help Lyme's Hardy B team notch up a narrow 3-2 win over Queen's Park.

## Final date changed

BRIDPORT Football Partnership, organiser's of the Edwards Charity Cup sponsored by *View From Newspapers*, have had to amend the dates of the semi-finals and final due to fixture congestion with some of the side left in the competition.

Netherbury v holders Beaminster remains as Thursday, May 9th.

The tie between Lyme Regis and Bridport 3rds will now take place on Tuesday, May 14th, with the final on Thursday, May 23rd. All games take place at St Mary's Field with a 7.45pm kick-off.

## BOWLS ROUND-UP

### Bridport men open with county league win

BRIDPORT Bowling Club men's team travelled to Sherborne for their opening County League game of the season and triumphed 57-46 with Brian Rumble's rink winning 20-11 and Brian Conisbee's four ahead 24-16.

The club opened the new season with a mixed friendly against tourists Sels Farm, the visitors winning 94-82 with the best home rink being Sue Gentry, David Pattemore, Dinah Wilson and Alan Cowdry who won 24-16.

Bridport A made the short journey to Lyme Regis where they beat the home side's B team 73-41, with Ken Sanger's foursome winning 26-7 and Clive Langdon's 29-11.

Bridport B went down 56-64 away at Dorchester B in the South Dorset League, but Derek Hoskins' rink secured two points with a 26-15 win.

Despite wins by Mel Griffith's four 20-14 and Bob Taylor's rink 18-14, Bridport C went down to Wellworthy B with a 10-31 loss on the third rink.

Bridport's men travelled to Crewkerne for a friendly on May Day and trounced their hosts 93-55 with Brian Rumble's four top scoring 40-6.

◆ BRIDPORT'S Summer Evening Indoor League got under way with Maureen Hicks, Clive Baynes and Martin Grier's Team H getting off to a sensational start against Team E.

With two early five counts they went 19-0 ahead after just nine ends, finally winning 20-4.

Gordon Lee, Phil Tattershall and Brian Morgan's Team B also got off to a flyer, three early four counts gave them a 19-3 lead before going on to a 24-9 win over Team L.

Mary Hansford, Pete Cowburn and Peter Hunt's Team C finished 4-3 to beat Team K 16-10, another strong finish from Bernard Waterman, Brian Legg and Mike Long's Team G gave them a 11.10 win over Team F.

Andy Marsh, Darren Simpson and Derek Harp's Team J secured a draw thanks to a four count on the final end against Viv and Roy Gill and Brian Baker's Team D.

### LYME REGIS BC with Paul Moffitt

THE league season started off with mixed fortunes. The men's 'A' & 'B' teams both had a disaster against Melcombe Regis 'A' & Bridport 'A' respectively.

In contrast, the ladies took eight points off Poole Park playing away, which is a very encouraging start against strong opposition. The ladies have new look teams, with various changes in personnel from last year, so this result is particularly pleasing.

The Club held a very successful Open Day held on Saturday.

Around 40 members of the public came and had a go in what turned out to be a beautiful day. With many club members in attendance, this was a very heartening event.

There will be coaching sessions held at the Club on Tuesday 14th, 21st & 28th May at 6pm with Ann and Trevor Allman our resident coaches being in attendance.

# Legg wins but Gilday-Evans misses out in Western Counties

DORCHESTER'S & District Boxing Club's Liam Legg had too much ability for the tough Carson Morris from Downend in their encounter at the Sturminster Newton Show, winning on points.

Legg controlled the action with his stabbing jabs and taking risks by closing down the ring size.

For once Legg boxed someone his own size which allowed him to drop rights over Morris's guard, and with his continual pressure putting his opponent off his stride, he took the decision.

On the same bill, Dorchester's Oliver Luke-Breen took on Connor Edwards from Poole at short notice. Show opener Ollie making his boxing debut, made the better start but with the two styles clashing it looked a bit untidy trading at close quarters.

However Luke-Breen was not side tracked and continued to attack, but Edwards produced some great de-

by Stuart Broom

sive work.

Despite showing great scope in the last round, Edwards was given the decision although the Dorchester boxer has been invited to Poole gym to spar with his victor.

Sol Gilday-Evans boxing in the Western Counties Championships at Bristol, lost on a majority decision to local man Jake Smith.

Gilday-Evans started slick and fast as usual and overpowered Smith with body punches which were taking their toll, but Smith came back roared on by the hall full of fans.

Gilday-Evans continued to dictate in the second and there was a deadly silence for 15 seconds in the hall as local star Smith was finding it difficult to defend himself after kissing the canvas in a flooring.

A minute into the third the Dorchester boxer broke up Smith with jabs and uppercuts, but Smith fought back to take the decision.

Joe Malpas felt a little disappointed at a majority loss decision against Weymouth's Fabian Peterkin believing he had worked well landing good punches throughout the bout.

In the first Malpas scored well to the head and body, retreating with enough speed to avoid any counters; the longer it lasted the more Joe's confidence grew.

The second was pretty even with Peterkin much quicker with his punches, but Malpas the busier still had more left in the tank.

The third saw both trading punches, resulting in Peterkin's eye beginning to close.

Malpas made more space for himself and made his jabs tell to the very end, but the judges gave Peterkin the majority win.
